Governor's Report

Maguwam,

I hope this newsletter finds everyone in good health and spirits. Wow, how the month of May is coming to an end so quickly, it has been a busy month. I would like to invite the community in, "Congratulating all our 2024 Graduates from college, high school, elementary and head start levels." I would also like to congratulate all our youth in completing another school year and advancing into the next grade level. Remember to give thanks to your parents, grandparents, siblings, aunts, uncles, teachers for pushing thru this school year and achieving your goals.

Thank you to the community for attending the community meeting held on May 4, 2024. We will be planning another meeting soon and more information forth coming.

I attended the Casey Family Programs and their Youth Fellowship on May 1, 2024, Downtown, Albuquerque. I was able to share remarks about Isleta, the land and our culture. The program is wonderful and I wish them many blessings.

I had the opportunity to meet with Secretary of the Interior Deb Haaland as she signed an order to protect public

lands near Placitas. Governor Myron Armijo from the Pueblo of Santa Ana and I were in attendance. Courtesy of Chancey Bush, ABQ Journal

I had the opportunity to meet with the UNM Native American Health Services staff. They shared some helpful information for Native Americans, announcements of events and the expansion of UNMH. If you are in need of assistance, feel free to contact their office at 505-272-1612

I would like to thank you the youth for attending our first Youth Community "Good Road" Meeting held on May 22, 2024. We look forward to collaborating with our departments and hosting more meetings for our youth.

I have issued a memo regarding no fishing or swimming in the Rio Grande River on the West and East side. We ask that you follow all signs posted regarding this order, until further

notice. We appreciate your patience.

Another reminder to every one of the upcoming state elections and the importance of getting out to vote. The state Primary Election Day is Tuesday, June 4. New Mexico law now provides same day voter registration during early voting and on Election Day. You can vote early at your local County Clerk's Office from May 7-June 1 or at designated early voting locations from May 18-June 1. The last day to request an absentee ballot is May 21. Please contact your local County Clerk's Office or visit NMVote.org for more information on voting locations, absentee and early voting, and how to become a poll worker. I encourage everyone, especially our young people, to register and vote. Your vote matters.

Last, I want to send my condolences to the families of those who have lost their family members during the month of May.

Ha-Wuh, Max A. Zuni
Governor Pueblo of Isleta

"Governor's Feast will be on June 29th. Mass will be at 8am followed by a procession of the saint, traditional festivities, art and crafts vendors, and food. We Welcome all and look forward to seeing you there."

Pueblo of Isleta Youth Wellness Program Afterschool Spring Session, February — May 2024

Khu-wam! We here at B'eeh K'oo-ee Wellness - Prevention Program would like to share highlights with the community of our youth wellness program Spring Session that took place at the beginning of the year. We had a total of 12 participants that were involved in a variety of experiential activities.

What is the Isleta Youth Wellness Program (IYWP)?

The IYWP uses a positive youth development approach through experiential learning that aims to reduce risk factors and increase protective factors.

We guide youth to develop life skills through the foundation of the four guiding principles of the Tiwa culture:

- Tradition
- Outdoor experiential education
- Service ethics
- Prevention education through awareness

Services are provided year round through seasonal sessions for youth ages 9 - 17 years. We have open enrollment for the 11 & younger and 12 & older groups, each age group has separate sessions Tuesday - Friday. Afterschool sessions are 5pm - 6pm and Summer sessions are 9am - 3pm, these sessions also include weekend and overnight trips. Transportation is available for youth within the Isleta Pueblo boundaries.

Spring Session Highlights

The youth enjoyed visiting cultural sites including El Morro and the Puye Cliff Dwellings, listening to some of our traditional stories from Elders, and riding bikes through the bosque. We learned Tiwa together and were able to do a cooking session with our Dietitian Karen Roop. We started with a snowboarding trip and ended the session with a weekend trip to Carlsbad Caverns and White Sands National Monument.

Sponsorships for the Isleta Youth Wellness Program were provided by the Isleta Recreation Center, Isleta Tribal Courts, and Isleta Tribal Historical Preservation Office. We would like to thank them for their continued support to our youth in Isleta Pueblo.

LETTER FROM THE EDITOR

DEADLINE for July Newsletter articles is set for Tuesday, June 18, 2024, at 4:30 pm. Articles may be dropped off at the Library or emailed to Nathaniel.Lujan@isletapueblo.com. Should you email your article, expect a confirmation email. If you do not receive a confirmation email, odds are it never made it to me and then it's time to panic, so call Nate at 505.869.9808.

People who wish to submit an article or flyer are responsible for generating their own article or flyer. Should you need help, please call the Library at 505.869.9808 and set up a date and time to sit down with a Library staff member who will help you throughout the process. The Library will NOT accept notes dropped off at the Library or information over the phone to generate your article.

PROBATES need to be published in the Newsletter for two consecutive months. Probates are considered court documents, therefore, all submitters must provide: 1) Name of Deceased, 2) Date of Deceased 3) Court Case # and 4) Date of Court Date. A Probate form can be found on the Newsletter Archive page at <http://www.isletapueblo.com/newsletters.html>.

CLASSIFIED ADS: The new administration has requested that the Newsletter start a Classified Ad section for Tribal members selling land, houses, mobile homes, vehicles, and farm equipment. Leasing of houses and mobile homes will be accepted. Smaller items which can be sold at the local flea markets or weekly yard sales will NOT be accepted.

Currently, this service is FREE to Tribal members. Land, houses, and mobile homes must be within the reservation boundaries. Ads must meet the 160 character limit. Ads that exceed the 160 characters will NOT be submitted into the Newsletter. A single picture may be submitted with the ad. Submitters of classified ads are responsible for generating their own ads as this is a FREE service.

As a reminder, Tribal business owners may submit a small flyer at no charge. Like the classified ads, business owners are responsible for generating their own flyers as this is a FREE service.

Classified ads and business flyers will be posted no more than two consecutive months. In the event where the Newsletter may exceed the 24-page limit, classified ads and business flyers will be "bumped" for newsletter articles. Again, this is a FREE service for Tribal members.

The Isleta Newsletter is owned and operated by the Pueblo of Isleta. Therefore, the Governor of the Pueblo of Isleta has the final say of all articles and contents within the Isleta Newsletter.

For additional questions, you may call the Library and speak with Nate or Diane at 505.869.9808.

Thank you,
Nathaniel Lujan

Born & Raised in District 2

I was raised by Margarita Padilla, a single mother in Los Padillas. My sister, three brothers, and I were all raised in a modest home, where my mother taught us the value of hard work and taking pride in everything we do. One of my biggest lessons learned is, *Trabajo Duro*: the people of our community are hard working. I believe in the people of District 2, and I plan on living up to my mother's expectations by representing the hard-working families here.

Pueblo of Isleta Tribal Member Wins National Golden Gloves Bronze Medal

Jimmie Perez III fought in the New Mexico State Golden Gloves Tournament in March 22-24 in Roswell NM advancing him to fight in the 2024 New Mexico/ Colorado Regional Golden Gloves, in Longmont Colorado on April 13, advancing him to fight 2024 National Golden Gloves, in Detroit Michigan- May 13-18, 2024, Jimmie Perez III came close to the championship, reaching the semifinals in his weight class and earning a bronze medal after receiving a bye in the first round, he defeated Hser Htoo of the Upper Mid-West team by unanimous decision, then lost by split decision to Cleveland's Marcellus Smith in the semifinals where he won a National Golden Glove Bronze medal.

He had this to say about his achievement- "I am eternally grateful to our Lord and Savior Jesus Christ for the strength and guidance he's given me that has carried me through this incredible journey to winning a National Golden Gloves bronze medal. To my family, friends, and community, your unwavering support has been the foundation of my journey. Your encouragement, love, and belief in me has fueled my determination and resilience to win a National Golden Gloves bronze medal. I hope my achievement serves as an inspiration to the youth. Showing them that with faith, hard work, and a great support system, they too can reach their dreams and conquer any challenges standing in their way. Next year I will take gold, but bronze isn't a terrible achievement in my first National Golden Gloves, so I accept it humbly and will use it to push me further rather than define who I am in and out of the ring.

Thank you all for your support with my fundraising and being my champions, but most importantly inspiring me to pursue my dream."

TRUANCY

June Greetings!

The Truancy Department would like to send out a BIG CONGRATULATIONS to all students who have graduated, from Head Start on up to High School as well as College. We hope that those who are moving up in to different schools and grades are ready for exciting and positive experiences in their new environments. Many will be amazed with the changes, new faces and new routines when they enter into the next level of their education. For now, they get to enjoy their summer vacation with their families and friends. We wish them the best of luck and we continue to stress that daily school attendance is important for their success.

Head Start graduates will soon experience new routines and schedules when they enter Elementary School! They will get to learn new skills that will continue to help them as they move up the educational ladder. At times, it may be challenging but we know that they have all the wonderful support of their parents and siblings.

Some students will soon be freshmen entering High School. There will be many fun and wonderful moments as well as some exciting and challenging times; remember that many people surround you and are rooting for your success. Do not be afraid to ask for help and reach out to those who care about you - your parents, family, teachers, counselors, community elders, and community resource providers within the community. Remember to surround yourself with positive peers and stay focused on your goals. We are cheering you on!

As many of our students have graduated from High School and have successfully completed their 12 years of education, some may move forward to enhance their education by attending college and working on becoming doctors, lawyers and engineers. Some students may be ready to start the work force and be successful with their goals. We know that whatever it is that they decide to do, it will be rewarding to them as well as their parents.

Congratulations College graduates! When you started in preschool or Kindergarten, I know that many of you had dreams of your college education and becoming teachers, police officers, architects, or even airplane pilots! You have done a great job by pursuing your goals and dreams; you will represent the Isleta community with pride!

Last but not least, thank you to all the parents who have supported and spent many tireless hours with their children - - doing homework, projects, cheering them on in extracurricular activities, or just letting your children know that they are doing a great job with reaching milestones and accomplishing goals. YOU are doing an awesome job!

Now comes a time in June to enjoy your break from school and enjoy family and sibling time. Taking a vacation might be on your mind, a weekday gathering with your peers, or just staying home and relaxing might be on your agenda. Whatever it is that you plan on doing, remember to be safe and enjoy!

HAPPY SUMMER TIME to you all!

2024 Mosquito Control

Until the end of August 2024, the Pueblo is providing mosquito control in the parks and recreation areas only. Keep in mind there is not a possibility we are able to kill all mosquitos, we strongly encourage you to continue with utilizing insect repellent as needed when outdoors.

Mosquito Control will be in the following recreational areas

Isleta Recreation Center, Tribal Rd 40:

- Baseball Fields, Tee Ball Fields, & Soccer Field -- east of Tribal Rd 40
- Baseball Fields, playground, and batting cage area -- west of Tribal Rd 40

Parks:

- Mousetown "Veterans Park," Tribal Rd 70
- Pickle Heights "Veterans Park," Tribal Rd 65
- Jose Lawrence Jojola/Celso Montoya Park "Church Park," Tribal Rd 48 near NM 147
- Chical Baseball Field
- Corporal Robert David/Fred Zuni Park, Tribal Rd 10
- Jose Manuel Valdez Park "Ranchitos Park," Tribal Rd 7
- Fitness West grassy areas, Tribal Rd 64

Head Start

- playground area, Sagebrush Street

Insecticide will be applied with hand sprayers in Recreation locations, limited to grassy areas and athletic fields. A sign will be posted on nearby park fencing each day an area is sprayed. The first Application occurred on May 17th and will be repeated approximately every 3 weeks. Contact Environment Department at 505-869-7565 if you have any questions.

DEPARTMENT OF EDUCATION

This spring the Department of Education has been abuzz with both anticipation and excitement as we recognize the academic accomplishments of our students. The Department is excited to mark this milestone with celebration, reflection, and action. The Department has looked to celebrate our Isleta students and Johnson-O'Malley eligible students at these momentous occasions. The Department along with Tribal Administration, and the JOM Indian Education Committee presented Native American students with Cultural & Perseverance Awards. Each of these students received a stole and a cord. Jeanette Ferrara, Pueblo of Isleta community member, handcrafted each stole: stitching a prayer for a good life in each and every stole.

Century High School

The Department of Education experienced the Rose and Robe Ceremony of Century High School. Special guests, 1st Lieutenant Governor Jiron and Indian Education Committee Chair Ryan Hickman, demonstrated their devoted and continued support of Indian education by attending the ceremony. The special guest along with the Department presented the stoles and cords to Native American students during the ceremony. This public presentation allowed for Native American students to be recognized before their teachers, peers, and family. The robing portion of the night highlighted the pride of parents, grandparents, and guardians as they robed their student. The rose portion of the night allowed students to give their parents a rose symbolizing the student's growth, accomplishment, and blooming potential. Many of the students presented the rose to a family member, mentor, or favorite teacher. The ceremony created an atmosphere of astonishment and marvel.

Los Lunas High School

The Department hosted a Native American Awards Assembly. Governor Zuni welcomed students and their families with warmth and sincerity. Along with Governor Zuni the Department was joined by special guests, Chairperson Hickman and Native American Liaison Tish Howard. At this assembly Governor Zuni praised students for their academic accomplishments. Governor Zuni also encouraged students to pursue a good life. Governor Zuni warmly encouraged students through storytelling, acknowledging, and listening. Governor would award each Native American student a stole and cord. Students heard stories from Governor Zuni about how students should choose a path that makes waking up a blissful moment. Governor Zuni continued acknowledging the outstanding accomplishments that have been made by graduating students. The Department provided a lovely dinner featuring warm red chile posole and soft airy bread. As students and families enjoyed dinner Governor Zuni talked to students. As Governor Zuni listened to student expectations and hope his eyes were warm and twinkling behind his glasses. He displayed a gentle smile listening to the future that awaits the Native American students. The awards assembly provide a moment for Native American students and families to look forward toward the future.

Valencia High School

The Department would journey to Valencia High School for its Robing Ceremony. Valencia High School introduced each student. Governor Zuni and Chairwoman Hickman joined Valencia High School and Los Lunas Public School administration on stage. Both Governor and Chairwoman Hickman were both excited and happy to see the outstanding accomplishments made by Native American students. At this ceremony Valencia students were presented with various cords and scholarships that they had earned during their high school career. Students were honored for their decision to enlist in the military. Governor Zuni handed out cords, stoles, and awards to Native American students. He encouraged them and praised them on their accomplishments. "Celebratory" effectively describes the essence of the night.

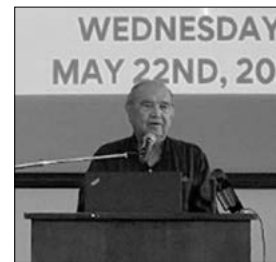

The Department of Education continues to hold a sense of awe and wonder at the academic and personal achievement of our Native American student population. With tremendous efforts made by both students and families the Department looks forward to a future community guided by Native American excellence. The Department also continues to look toward another school year where families, community members, and our Department can collaborate and innovate support for our Native American students.

Youth Community Meeting

Governor Zuni has created a series of meetings with the youth of our Pueblo community. This series is titled, "The

Good Road Series." The goal of the first event was to: celebrate the end of the school year, educate and share available resources for summer wellness and cultural programming, build relationships and trust between the community youth and Pueblo services. The meeting hosted representation of students between the ages 13-20. The evening began with words from Governor Zuni. He started by warmly welcoming the students and congratulating them on finishing the school year. The night featured a mobile gaming truck where students learned the dangers of cyberbullying. Students enjoyed a wide variety of games. They were also able to play against officers from Isleta Police Department. Students thoroughly enjoyed the gaming center and interaction with Police.

One focus of the "Good Road Series" is language and culture. For this first meeting Michael Jojola and Faron Candelaria spoke to students about the importance of Tiwa. Ta-Ta Jojola spoke to students about the timelessness of Tiwa. He told students of how our language has been with us since the beginning and defines who we are as a Pueblo. He told of how Tiwa helps us understand our culture and the world around us. Ta-ta Candelaria spoke about how our language connects us as a community. He encouraged students to simply greet people in Tiwa. He continued encouraging students to practice Tiwa. Both men shared with students a grave concern about Tiwa: the extinction of Tiwa. The men shared that they do not want Tiwa to disappear from our Pueblo. Students were encouraged to learn Tiwa. Students were also informed that together our community can maintain the timelessness of Tiwa if we speak it.

Mental Health will also be featured in the "Good Road Series." Students learned about self-care. Students learned how small activities such as taking a walk, drinking water, and doing nothing can help you maintain your mental health. Students also learned how we must learn to think positively about oneself. Students wrote affirmations about themselves. These affirmations helped students to learn to see the positive in themselves rather than always focusing on the negative. The self-care feature truly helped students in their pursuit of becoming the best version of themselves.

The "Good Road Series" will continue to have meetings throughout the summer. For more information please contact us at (505)869-9790.

Greetings from the DOE Higher Ed Team,

We also would like to congratulate the POI Scholarship recipients who graduated from his or her respective program for this academic year. We are proud of your accomplishment and wish you the best in your future endeavors!

DEADLINE:

August 5, 2024

2023-2024 Scholarship Recipient

Bailey K. Nez is a tribal member of the Navajo Nation and is currently enrolled at Lawrence University pursuing a degree in Environmental Science.

"I intend to use my Environmental Science degree to work on behalf of my Navajo tribe. Equipped with a degree in Environmental Science I can better understand our climate and environment in order to improve our living conditions on the reservation. My hope for the future is to come back home with knowledge about how to address these environmental issues."

Attention: Pueblo of Isleta Community

Public Works has implanted a new work order system for community work orders.

Community members can submit a work order the following ways:

1. Below is a QR Code you can scan with a smart device

2. You can access the link on the Pueblo of Isleta Website
3. Calling Public Works Office at 505-869-5170

Please provide as much information as possible about the work order being placed. We will need the following information:

- What is the issue?
- Location (Complete Address)
- Contact Name & Number
- Attached pictures, if any

NOTE: Please one work order per submittal! Our new system will not generate multiple work orders in one submission. Not providing all detail information on your work order may cause a delay!

We understand that not everyone has access to a smart device or computer to submit a work order, calling into Public Works Office at 505-869-5170 is still available.

PARKS & RECREATION DEPARTMENT

June is already here! Can you believe that we are already in the middle of the year? Wow, time sure does fly by when we are having fun!

Quick update on our department, the fitness section continues to have its fun challenges and also continues to offer different classes to tribal members, casino employees and Pueblo of Isleta employees. The Parks Maintenance Section is working hard like always on keeping our parks in the pueblo and the grounds around the recreation center looking awesome. I can't say enough about the parks crew, they really bust their butts out there. The Aquatics Center is doing good, now that it has been warming up lots more tribal members have been coming in to use our Aquatics Center. The Recreation Section has been busy getting prepared for the summer program as well. The program starts on June 3rd this year and will run through July 26th, and we are all looking forward to having the youth here at the center again this summer. Lastly, our Sports Section has also been very busy with the youth basketball teams and adult basketball league. Both are in full swing right now. We also just finished up the Corn Hole League, please check out the pictures.

Please remember, if you need any information about the activities, classes, etc. happening here in our department please feel free to contact us at (505) 869-9777 and we will do our best to give you details.

FITNESS SECTION

The Fitness Section at the Main Recreation Center would like to welcome the newest member to the fitness team, her name is Christa Hern. Christa is an ACE Certified fitness instructor who has lots of knowledge and experience. Her expertise is in TRX suspension training, Stretching & Strengthening, Women's Health & Fitness and Zumba. She has worked in the health care field alongside physical therapist and also in big gyms settings such as Defined Fitness. She is currently instructing Aerobics Class, Chair & Strength Class and Water Aerobics at the Recreation center. She also does one on one personal training sessions, so if you are interested in working with Christa, she is available to help you reach your fitness goals. Please come in to meet Christa or feel free to contact her or any of our fitness instructors at the Recreation Center at 505-869-9777. I also want to let you know that our Water Aerobics Class has been such a great class, and we will be continuing this class for the rest of the summer. We hope to see new participants in our Water Aerobic Classes. These classes are held every Wednesday at 10am, and Saturdays also at 10am. For more information about the other classes being offered in our fitness section please feel free to reach out to us at (505) 869-9786.

AQUATICS CENTER

We hope everyone had a great end to their school year! Summer is here and we are very excited for the upcoming season. Swim lessons begin on June 4th and run through June 20th, and will be held on Tuesdays and Thursdays from 4:30-5:30pm. If you are interested in swim lessons, we still have openings and registration forms are available here at the Recreation Center. Open Swim will be available from 5:30pm

until 7:30pm from Monday through Thursday, and 4:30-5:30 on Fridays. We also have Open Swim Saturday Sessions from 8:30am-11:30am! Morning Lap swim can also be scheduled through the Aquatics office at 505-869-9783, and the times we have available for lap swimming is from 5:30am-8:30am M-F. Isleta Aquatics is still trying to hire Lifeguards for summer, so if you know anyone interested in becoming a lifeguard please call or visit the POI website for the job posting! We do provide all training needed on site. For anyone interested in information about Lifeguard certification, child or adult swim lessons, and other aquatic programming, please call Josh or Jayna at 505-869-9783.

RECREATION SECTION

Here we go! The Summer Youth Recreation Program starts up on Monday, June 3rd, 2024. We have lots of fun activities and field trips scheduled for the participants this summer. This year's summer program will be an 8 week summer program, as mentioned we start on June 3rd and we will run through July 26th, 2024. For more information about the summer program please feel free to contact the recreation center at (505) 869-9777 and ask for LeeAnne Zuni

SPORTS SECTION

We just finished up another Corn Hole League in May and much like last year, it was an exciting year. This year we had a Couple's League and there were 7 teams in this league, the Wanna Bees (Lucas Jiron and Miranda Yalch) were crowned the champs of this league this year. In our Open Division we had 9 teams and the Sicarios (Cubathee Montoya and Brian Lente) were the champs of the open division this year. It was a fun and exciting Corn Hole season again this year.

Our Youth Basketball Teams are going strong. This year we have two youth co-ed teams, a 9-10 year-old team and a 11-12 year-old team, and both of these/our teams are competing in the Bernalillo County Youth Basketball League this year. The competition has been tough so far, but our youth are playing tough, learning and having fun competing. Playing in this league has been and is going to be a very good experience for our kids to see, the competition level is a little higher than what they have seen in the past, but we feel that is a good thing for them. I want to thank our volunteer coaches Cubathee Montoya and Edmond Lucero, these individuals are putting in their own time to help teach, guide and cheer on the players on our teams, it's awesome to have them help coach our youth. We have also started this year's Men's basketball League; all our games are played on Sundays from 10 am to 3pm. If you're not doing anything and you want to see some good basketball games, come out and watch these games, we would love to see you here. This year we have 11 teams competing in our men's basketball league, along with the teams we have from here, we also have teams from Laguna Pueblo, Santa Anna Pueblo, Sandia Pueblo, Bernalillo, Albuquerque and Los Lunas. Once again, we would love to see you here on Sundays to support our men's basketball league.

IMPROPERLY SPACED CARTS CAN LEAD TO MISSED COLLECTIONS.

PROPERLY SPACED

PROPER SPACING IS IMPORTANT

Let's talk trash Isleta! In this edition of Isleta Trash Talk, let's talk about proper spacing of your trash and recycle carts. It is important to place your carts out properly to avoid missed collections. Above you we see photos of both properly and improperly spaced carts. The photo on the right illustrates carts that are not properly spaced. The claw of the truck does not have enough room to get in between the carts to pick them up. Please leave a minimum of 3 feet of room between other carts, mailboxes, low hanging trees, utility lines, fences etc. This will insure the drivers can safely access, empty and service your home. The photo on the left illustrates properly spaced carts. This allows the driver to provide you with safe curbside service. Your cooperation and understanding is greatly appreciated.

USE CLEAR BAGS ONLY

IF YOU BAG RECYCLABLES
DO NOT USE BLACK OR WHITE BAGS

Keep it simple, if you do not see it on this flier throw it away in the trash. Do not use your blue recycle cart for trash or it will be confiscated. Have your cart out by 7am. For service schedule announcements check the POI newsletter & POI Facebook. (505) 869-4106

Your recyclables do not need to be bagged, however it is highly recommended to bag your recyclables for curbside pickup during windy season. This is to reduce the chance of creating litter due to winds. If you choose to bag your recyclables it is important to use clear bags only. Colored bags are not accepted at the recycling facility. When your recyclables are bagged in colored bags they are not opened up and your material is landfilled instead of recycled. Using clear bags helps to ensure the health and safety of the line workers who come in contact with the material when sorting at the recycle facility. Using colored bags will result in your recycles not being collected. This is important to sustain the recycle program moving forward. Your understanding and cooperation is greatly appreciated.

Attention Pueblo of Isleta residents: Update from POI Environment Department Asbestos Program

Goals of the Asbestos Program

To educate the community about asbestos and to prevent releases of asbestos-containing building material (ACBM). Environment Department performs building materials inspections for demolition and general renovation projects for homes within Pueblo of Isleta reservation.

Protecting Your Health and Those Around You

What is Asbestos? It is a natural mineral fiber that is mined from the Earth. It was used in many common building materials for its strength and durability, insulation properties, and fire resistance. Asbestos is hazardous to human health and the environment. Microscopic fibers are released into the air when the materials are disturbed. These fibers can enter the lungs when inhaled and can damage the lung tissue.

Renovation or Demolition? What You Need to Know Before You Start

This is a reminder to all households that a building materials inspection is required prior to any renovation or demolition work. The purpose of a building materials inspection is to rule out the presence of asbestos-containing building material.

Asbestos is found in many building materials, including but not limited to:

- Window Glazing
- Adhesive Material
- Insulation
- Roofing Material
- Plaster and Stucco
- Ceiling/Flooring Panels & Tiles
- Penetration Sealant
- Joint Compounds
- Drywall Material

FUNDING NOW AVAILABLE

Tribal Council approved a budget using ARPA funding to assist households with building materials inspection, asbestos abatement (if necessary), and demolition. The deadline to get a household project on Environment Department's list is July 15, 2024.

If you are interested, have questions, or would like to request a building materials inspection, contact Environment Department at 505-869-7565. At this time, properties in probate are not eligible.

MEDIA RELEASE FOR FREE MEALS FOR CEP

National School Lunch/Breakfast Program
School Year 2024-2025

The Isleta Elementary School announced today it will operate the Community Eligibility Program (CEP) under the National School Lunch Program and School Breakfast Program for the 2024-2025 school year.

Schools qualifying to operate CEP serve breakfast and lunch to all children at no charge and eliminate the collection of meal applications for free, reduced-price, and paid student meals. This new approach reduces burdens for both families and school administrators and helps ensure that students receive nutritious meals.

For additional information please contact the following person:

St. Augustine Religious Education Program

Congratulations to our High School students who received the Gifts of the Holy Spirit through the Sacrament of Confirmation on April 25th, and our children who received the Sacrament of Holy Eucharist on April 27th. Father Milton Thomas and our volunteer Religious Educators are honored that we had the opportunity to teach our Catholic faith to the children of our community.

The students participated during each Mass as readers and during the offertory as gift bearers. We had 5 students receive Confirmation, and 18 boys and girls receive Holy Communion.

We were blessed to have Archbishop John Wester celebrate the Mass for Confirmation. Archbishop Wester also took time before the mass to speak with the confirmation students and their sponsors. We were very pleased to have Second Lt. Governor Juan Rey Abeita say a few words to the confirmation students before Mass, and also Governor Max Zuni who spoke at the First Communion ceremony.

We would like to express our sincere gratitude and appreciation to our priest Father Milton Thomas. He is not only here for our children, but also for the whole community. His door is always open for you to visit.

Photographs have been snapped. Family and friends have celebrated together. Gifts have been opened. The signed, stamped

certificate has been presented. Years of preparation are complete – culminating in the holy sacrament of Confirmation or Eucharist. The Eucharist is “the source and summit of the Christian life,” for in the blessed Eucharist is contained the whole spiritual good of the Church, namely Christ himself. As a family continue your faith life and maintain a healthy balance by being a part of the parish community each Sunday.

Remember, once a young person has received Eucharist, he or she is eligible for altar service. This ministry is a great way for young people to learn more about the Mass. Altar servers are also exposed to the vocation of the priesthood and diaconate. And young adults who have been confirmed are encouraged to think about joining a parish ministry like the choir or becoming a lector. We welcome your participation in our parish community. We will post dates and times of ministry classes once they have been scheduled.

Prayer for Kids

*Honor your father and mother,
as the Lord your God has commanded you,
that it might go well with you on the land
which the Lord,*

Your God gives you.

Father, open the eyes of our children.

May they know Your Will

and evade worldly deception.

Give them grace to follow Your Will.

Show them how to honor their parents,

that Your blessings may follow them

in this land.

Grant them good health and longevity . . .

Amen

JUNE- MEN'S HEALTH MONTH

GOAL- To raise awareness for the prevention of health problems and encourage early detection and treatment of disease among men and boys.

In a survey done by The Cleveland Clinic-

- Only 3 out of 5 men get annual physicals
- Over 40% of men only go to the doctor when they think they have a serious medical condition
- More than half of men said their health wasn't something they talk about

According to the CDC- 450,000 men die of cardiovascular disease each year

WIC NEWS-

The USDA released a rule updating WIC food packages. The new ruling provides participants with more choices in accessing nutritious foods. It also increases access to culturally appropriate foods. Lastly, the increased Cash Value Benefit (CVB) for fruits and vegetables is now permanent. This was a change that was overwhelmingly supported in a recent survey from WIC participants.

Did you know Isleta Health Center is your payor of last resort?

Payor of last resort means if you have primary insurance, Isleta Health Center would be your secondary insurance. If you have a primary and secondary insurance, Isleta Health Center would be your Tertiary insurance. Please list Isleta Health Center as your last payor.

Did you know you have to call PRC to inform them of all appointments?

This includes all ER/urgent care visits, any follow ups, any secondary referrals, telemed appointments, rescheduled appointments. Not calling in for appointments will delay payment

Did you know if you receive a bill from a provider, you have to bring it in to PRC, even if you have a referral?

Some facilities will send a bill to the patient but not Isleta Health Center. It is best to bring all bills in received by mail to make sure PRC contacts the facility to bill Isleta.

ISLETA POLICE DEPARTMENT NEWS JUNE - 2024

The sixth month of the year is now upon us and where the time has gone is beyond me. A reminder the days have become hotter, the winds intermittent and gusty and the children are out of school and now..... let the summer games begin!

Motorists be aware with the release of school children, young and old, are out and about walking, biking, riding and/or driving so please be cautious and conscientious driver. The youth are so excited for vacation time, they may forget the safety rules and could cross your path so be ever vigilant of your surroundings and avoid distracted driving. If you are not paying attention to the roadway but instead checking your cell phone, you will not see the child darting across the road for a stray soccer ball or basketball.

The first day of summer is marked for June 20, 2024 and the summer solstice which starts the beginning of the astronomical summer is June 20-21. As we have been noticing increasing temperatures in May, one can be assured those temperatures will continue to rise and there are precautions to be taken. A few tips/reminders on staying safe in the heat:

BEAT THE HEAT: Extreme Heat
Heat-related deaths are preventable

WHAT: Extreme heat or heat waves occur when the temperature reaches extremely high levels or when the combination of heat and humidity causes the air to become oppressive.

WHO: Children, Older adults, Outside workers, People with disabilities

WHERE: Homes with little to no AC, Construction workers, Cars

HOW TO AVOID: Stay hydrated with water, avoid sugary beverages, Stay cool in an air conditioned area, Wear lightweight, light-colored, loose-fitting clothes

During extreme heat the temperature in your car could be deadly!

WELCOME TO THE LAW ENFORCEMENT FAMILY

The Isleta Police Department has added a few new faces to the family and they are:

Greetings everyone, My name is Joyce Sandoval. I am originally from Taos, NM but was born in Littleton, Colorado.

A few fun facts about me are I love animals, the color purple and Mexican food. Aside from that I have always been interested in

Law Enforcement. When I went to college, I wanted to be Forensic Pathologist but I decided that was not the career for me because I wanted to be a first responder. I am excited to start my career with Isleta Pueblo and serve my community well. Becoming a dispatch has been a dream come true and I am truly honored to be here.

Thank you and have a wonderful day!

We welcome Collin Massey to our law enforcement family.

Collin is excited to join the Pueblo of Isleta Police Department as a Behavioral Sciences Clinician. He is a licensed therapist in New Mexico and has worked in mental health for

twenty years. Collin lives in Albuquerque with his wife and three children. In his spare time, Collin says he changes a lot of diapers and attends church.

Hi! My name is Patrick Chavez and I'm a new dispatcher here for Isleta Police Department. I'm originally from here in Isleta and my personal goal is to learn my position and help the community. I've always wanted to go into law enforcement and I want to help my community as well. My hobbies: I like to play my video games on my days off to help me focus and take my mind off things, I do like to cook as well, and go to the gym when I have down time.

We welcome all of you to the "blue" family.

FIELD DAY - 2024

Field Day at the Isleta Elementary School was held on May 15, 2024 and SRO R. Yzquierdo organized a few officers to challenge the elementary students to a basketball game. The students rallied valiantly but were no match for the much older, taller.....IPD team. Fun was had by all and we look forward to the challenge in coming years.

SURVEY

A sample survey is seen below and the Isleta Police Department would appreciate feedback from the community. Please view the survey and fill it out using the link provided or scan the QR code. If you have questions please do not hesitate to contact the police department.

"MPN" is a unit of measure that stands for most probable number. MPN is equivalent to colony forming units ("CFU").

The Pueblo of Isleta's most stringent surface water quality standard for E. coli bacteria is 88 MPN/100 ml at all times and at all flow rates.

Please continue to watch signage at the NM 147 bridge for surface water quality advisory

If you have questions about surface water quality, contact Ramona Montoya, Water Quality Control Officer, at 505-869-7565.

Pueblo of Isleta Public Library

Greetings from the library, summer has arrived and our Summer Reading Program has kicked off! Junior and Youth programs are off to a great start. We would like to say congratulations to ALL of the students who graduated. With graduation parties coming up, don't forget the library can help with any invitations, picture scanning or copies. Please come in and see what YOUR library offers for FREE, you'll be surprised!

News

The library will be closed on Wednesday, June 19th in observance of Juneteenth. All library media checked out on Monday, June 17th will be due on Thursday, June 20th. Juneteenth is a federal holiday to commemorate the emancipation of enslaved people in the US.

The Summer is a very busy time for the library and patrons may experience longer waiting times at the front desk. You will notice more children during the day and new summer workers. Please be patient with us as some of the new staff are just learning, and for some it is their very first job. We would like to apologize in advance for any inconvenience and we thank you for understanding during this busy time. Please feel free to reach out if you have any questions or concerns. You may call the library at 505-869-9808.

A quick reminder, our library has a mobile device app which can be found in both the Apple and Google app stores. To find our app, type in, "Isleta LIB" in the app search bar and look for our purple library logo. Our app will give you quick access to our online catalog, your account info & digital card, our free digital resources, library event calendar, Isleta Pueblo Newsletter online archive, social media links, and our library contact information. Should you accept our app notifications, you will receive reminder, closure dates, and other library news notifications. See flyer for additional details and, of course, visit the library if you need help navigating or downloading our app.

With Summer here, we would like to remind you about our FREE movie streaming service called Kanopy. You will need to set up your four-digit passcode with the library. You may visit or call the library to create or reset your four-digit passcode. Afterwards, you may visit the Kanopy website, download the Kanopy app, or better yet, use the link in our library app to access the Kanopy digital streaming services. See our flyer for additional details and, of course you may also visit the library for a quick tutorial.

In an attempt to help you save additional cash money this summer, we would like to remind or share with you our Family Pass which give you access to 16 exceptional museums and historical sites throughout the Land of Enchantment. Each pass provides 6 FREE admissions into the 16 exceptional museums and historical sites. You may be asking, what are these 16 exceptional museums and historical sites? Well, I won't tell you here, instead I will let you know to come into the library to view the passes so can get that information yourself. Remember, I have to get you into our doors somehow. See our flyer for additional information.

The library now has Turntables for checkout! Checkouts are for 2 weeks with accounts that are in good standing. For questions, please call the library at 505-869-9808.

Our Family Story Time will be taking a break this June and July because library staff will be busy with the Summer Reading Program. Story Time will begin again in August with Story Time every Wednesday starting at 10:30am, activities and crafts will follow. If you have any questions about our Story Time, please give the library a call at 505-869-9808 and speak with a staff member.

Upcoming

The library will once again be a host site for the Summer Meal Program provided by the Bernalillo County food program. The Summer Meal Program will start on Monday, June 3rd through Friday, July 26th. We will be serving breakfast and lunch for children ages 1-17 years old in our Art Room. Meal schedule is as follows breakfast will be served from 7:45am – 9:30am and lunch will be served from 11:30am – 1:00pm. All meals are FREE and must be eaten on site. If you have any questions regarding this program, please call the library at 505-869-9808 and speak with a staff member.

The Summer Reading Program (SRP) will begin on Monday, June 10th. Our Junior program will begin at 9:00am and end at 11:30am. Our Youth program will begin at 1:00pm and end at 4:00pm. To sign up please call the library and check the status of program availability. If Youth and Junior programs are full, we have an on-going waiting list. If a child decides our program is not for them or misses more than 5 days, they will be dropped from our program, and we will move onto our waiting list.

Both Junior and Youth groups attended their first field trip of the summer on June 13th. Junior program went to We Rock Indoor Playground and enjoyed lunch afterwards at Peter Piper Pizza. Youth program went to Hinkle Family Fun Center and also had pizza for lunch on June 14th. We plan field trip on the first week of program so students can get to know one another and have fun.

Library staff will be focusing on our Summer Reading Program for the months of June - July so children, teen, adult and family programs will be on a pause during this time. However, please follow us on our social media accounts for up to the minute announcements on programs and events.

Recap

Our Summer Reading Program registration was held on Friday, May 10th starting at 7am, however parents/guardians were lined up by 6:30am. We had a total of 20 spots for the juniors and 25 spots for the youth programs. As of right now, our Youth program is full, however we do have a waiting list. There are still spots available for the Junior program. Registration for this program is in-person here at the library and will be open till all spots are filled. We are always trying to improve our services. If you have any recommendations or suggestions on how we can improve,

please feel free to let us know.

Library staff members Diane, Cheyenne, Abbey and Kyle participated in Isleta Elementary's field day on May 15th. Staff set up a "Battle Royal Ping Pong Game" for students to enjoy. Other POI Departments set up games for the event like tug of war, sponge game, bean bag toss, dunk tank and a basketball game (Police vs. Students). We would like to thank Isleta Elementary for letting us be a part of it and hosting a wonderful event for students, staff and community.

After School Program students working on daily crafts!

Library's Ping Pong set up at Isleta Elementary's Field Day!

After School Program end of the school year incentive field trip to Main event!

Library staff member Isaiah Abeita hosted a three-day Graffiti program during the month of May. This program was open to 6 patrons ages 8 years old and up. Participants learned the basics of the art of graffiti with an introduction of the history followed by learning how to create their own art in graffiti style. We would like to thank everyone who participated and library staff member Isaiah for hosting the program.

The After School Program finished their final month, and as a thank you library staff took students on their final incentive field trip of the year to Main Event. Students had a great time and enjoyed some pizza afterwards for dinner. We would like to thank all our students for doing such a great job this school year and participating in our After School Program. It has been a pleasure to have them around.

After School Program registration for the upcoming 2024-2025 school year will be during the last week of July and will be open to 20 students. Transportation to the library will be available for Bosque Elementary ONLY, as the other students are in walking distance or a bus stop is near the library. If you have any questions regarding our After School Program, please give us a call at 505-869-9808.

Helping Your Adult

Family Member

Who Has an Addiction

Although you may be tempted to rescue, bribe, pamper, scold, or threaten your adult family member who continues to use and abuse alcohol and/or drugs, this is not a helpful approach.

Families share experience, strength, and hope at Al-non meetings. These meetings teach you how to stop "enabling". The word enabling means "allowing, permitting, or aiding" the alcoholic/addict to stay in their sickness and enabling keeps you, the family, trapped in the problem. Enabling can make you physically and emotionally sick and cause increased stress with you and your home environment. Addiction is not something that affects just the alcoholic/addict but has a negative impact on the entire family and the community.

No one wants their adult family member to suffer with an addiction and your intentions to help are out of love and concern. When enabling turns into an intervention, things begin to change. It is time to take your focus off the adult family member's addiction and place it onto yourself and your family. You regain power to make meaningful choices about what you will do and what you won't do. Enabling does not teach responsibility.

You can contact Al-non at (505) 262-2177 and find out the nearest location from your community to attend, (IBHS does not provide transportation).

Task Force Releases New Breast Cancer Screening Guidelines

Dr. Hadley Pope, Isleta Health Center Physician
Phone: 505-869-3200

On April 30th, 2024 the USPSTF (United States Preventive Services Task Force) released new guidelines for breast cancer screening in women. The USPSTF is an organization made up of doctors and disease experts who look at research on the best way to prevent diseases and make recommendations on how doctors can help patients avoid diseases or find them early. The USPSTF is a highly respected organization and their recommendations are used by primary care providers all over the US to ensure our patients are receiving the highest quality screenings and medications, while also reducing the risk of unnecessary screenings and medications.

The newly released USPSTF guidelines for breast cancer screening recommend that women begin breast cancer screening at 40 years of age. They recommend mammogram as the best screening tool for breast cancer and that women get mammograms done every 2 years through 74 years of age. The guidelines do not make recommendations about continuing screening in elders 75 and older, screening for women who are at increased risk of breast cancer, or additional screening, like MRI or ultrasound, in women who have dense breasts. Instead, the task force recommends that women 75+, those with increased cancer risk, and women with dense breasts talk to their primary care doctor to see what screening is best for them and how often they should be screened for breast cancer.

Contact the Isleta Health Center at (505)869-3200 to set up an appointment to talk with our primary care providers about your breast cancer risk and breast cancer screening.

**Health Beat:
CATARACT AWARENESS MONTH**

Dr. Ryan Holiday, Optometrist, Isleta Health Center
Phone: 505-869-3200

JUNE IS CATARACT AWARENESS MONTH! It is the perfect time to learn more about our eyes and how we can maintain healthy, clear vision.

WHAT IS A CATARACT?

A cataract is a clouding or opacification of the natural lens that sits inside the eye. This natural lens is responsible for bending the light entering the eye to focus on the retina for clear vision. When a cataract forms, the lens becomes cloudy limiting and dispersing the light entering the eye. This process can result in blurry vision, haloes around lights, glare, difficulty driving at night, and sometimes needing more light to see or read.

HOW DOES A CATARACT FORM?

A cataract usually forms naturally for everyone due to natural aging processes and UV exposure from the sun throughout one's life. Sometimes a cataract can form early due to trauma. Certain risk factors can increase the chances of faster cataract progression including diabetes, smoking, using steroids for long periods of time, and certain eye conditions. In very rare cases, some cataracts can occur in children also known as a "pediatric cataract."

HOW IS A CATARACT TREATED?

Luckily, cataracts can be treated and vision restored in the vast majority of cases with cataract surgery. During surgery, the natural lens is removed and replaced with an artificial lens. In most cases, cataracts can be monitored on an annual basis till determined surgery will be beneficial. However, waiting too long for surgery can make the surgery more complicated if the cataract is far progressed.

This is a reminder to have your eyes examined every year or as recommended by your eye care professional to maintain healthy eyes and vision!

Yolanda K. Olguin Chavez

12/16/1957-03/24/2024

The family and Husband of Yolanda would like to thank everyone for their support in the loss of someone very special who will be missed. She loved her community and through her massage therapy tried to make everyone better. Again, thank you to everybody.

I asked God to send me someone
You drove down my road and never left
Ups and downs we went through
But we always made it
Your health took a turn for which there
Was no coming back
Twenty nine years later
I held your hand as you left me
The glimmer in your eyes
A sign that Heaven was waiting for you
We will see each other again
Love, Arnold

Hello to everyone from the Indians in Sobriety 36th Annual Campout Committee!

The next IIS Campout will be held this summer at the Isleta Lakes and Recreation Area in Isleta Pueblo, New Mexico on July 25, 26, 27, & 28, 2024.

Indians in Sobriety began 35 years ago with a group of people wishing to support a gathering of sober Native people and their families. It has now become what is known as "the Indians in Sobriety Annual Campout". Since the beginning, people from Alaska, Canada and the mainland U.S. have gathered around a sober drum in New Mexico, Arizona, California, Oklahoma and Colorado in the summer months. It has been held on many Indian reservations and sponsored by different groups and tribes such as the Pueblos of Zuni, Acoma, Jemez, Isleta and the Jicarilla Apaches, White Mountain Apaches, San Carlos Apaches, Choinumni of California, Cheyenne/Arapahos of Oklahoma and the Gila River Indian Reservation as well as the Navajo Nation.

We are a grassroots movement encouraging sober living by honoring our sobriety and sharing in spirituality, fellowship and recovery together. This annual campout continues to play a vital role in carrying the message of recovery to those who still suffer as well as strengthening our growing communities in recovery. AA, NA, and AlaNon meetings are an integral part of our gathering as well as traditional teachings, talking circles, a potluck dinner and a powwow/ribbon ceremony honoring sobriety. We also encourage our youth to help organize and participate with the many activities that take place during the campout.

Obtaining support for this upcoming campout is our goal. We would like to invite you to join Indians in Sobriety in July 2024. This special gathering will be possible with people like you who have a commitment to themselves and to the recovery community.

The Indians in Sobriety committee seeks your support for this very special event. Please feel free to contact us with any questions you might have about IIS. We look forward to hearing from you.

Thank you in advance for your interest in the upcoming campout.

Health Beat: Healthy Foods Express

Stephanie Barela, Health Educator
Stephanie.Barela@islclinic.net
Phone: 505-869-4479

The Isleta Health Center has collaborated with Roadrunner Food Bank for nearly a year, since July 2023 and we have offered 10 Healthy Food Express Food Distributions. These monthly food distributions offered at the Chical Reception Hall on the **1st Friday of the month** has provided free, fresh food to families.

Since July 2023, these **10 Health Food Express Food Distributions** have provided food to at least 929* households, affecting more than **1922* people**. The Healthy Foods Express is set up like a farmer's market, with fresh produce and other food items available for individuals to select. At each event, any new participant will fill out a Client Intake Form for their first attendance and then in the future after the participant registers 1 time, they will no longer have to register again. Road Runner Food Bank needs participants to register in order to show the need for the program and to maintain state funding. If you have completed this form before, then you are not required to complete this again, unless the information was incorrectly input into the computer or your information has changed. There is also a Pick-Up Authorization form that is needed if we are distributing food from TEFAP (The Emergency Food Assistance Program), in order for you to pick up food for other households. Food from TEFAP is not always distributed, but it would be good if you are planning to pick up food for others, to have this form completed in case we are distributing TEFAP food that day. The pick-up authorization form will be provided at each event, or you can access the form in order to fill it out before the distribution either on our website, www.islclinic.com or from the Isleta Health Center.

Everyone is welcome to come to the Healthy Foods Express Distribution at the Chical Reception Hall, so we hope to see you all at the next food distribution. We thank the Road Runner Food Bank for collaboration this past year and we will see what this partnership brings in the new fiscal year. Thanks again for all those who have participated in this event.

The JUNE 7th DISTRIBUTION has been RESCHEDULED to May 31, 2024.

PLEASE NOTICE DATE CHANGE!!!

WELCOME ISLETA HEALTH CENTER: SECURITY OFFICER

Isleta Health Center's mission is to elevate the health status of Isleta Tribal Members, their Families and Community.

In support of these efforts, we also want to provide a secure, confidential and welcoming environment for all patrons to receive care!

In our direct effort toward our mission, I would like to introduce to our community, Jackson Francisco, Newest Security Officer.

Mr. Francisco brings years of experience assuring security in an IHS clinical setting.

Welcome to Our IHC Team, Jackson!

Key Reminders:

1. Place handicap placard when using designated handicap parking.
2. Keep striped area of main entrance clear of vehicles, in case of emergencies.
