- F. Non Indians shall never become members of the Pueblo of Isleta.

Section 2. *Special Conditions for Membership:*

- A. Any tribal member or Applicant who is eighteen (18) years of age or older, who otherwise qualifies for membership but who is or has been enrolled as a member of another Indian tribe, band, pueblo or Indian Nation may be enrolled as a member of the Isleta Pueblo; provided that such person relinquish his/her membership from all other tribes, bands, pueblos and Indian Nations within thirty (30) calendar days of notification by certified mail, return receipt requested.
- B. Provided that the Pueblo has selected and approved a qualified DNA vendor, DNA testing will be required for all applications for membership. Failure to submit to DNA testing consistent with this Ordinance will result in the disqualification of the Applicant in question. Neither the Census/Tribal Enrollment Department nor the Tribal Enrollment Committee shall have the authority to order DNA testing on tribal members except as outlined by the Tribal Enrollment Committee Bylaws, this Ordinance, or any other applicable law of the Pueblo of Isleta.
1. The cost of DNA testing shall be shared by the applicant and the Pueblo of Isleta, provided that DNA testing is conducted through a vendor or vendors approved by the Pueblo of Isleta. The Pueblo shall pay no less than 50% of the cost of DNA testing.
 2. Results of DNA testing through a Pueblo of Isleta approved vendor will be provided to both the Census/Tribal Enrollment Department and the applicant for membership.
 3. As referred to in this Ordinance, “applicant” shall refer to either an individual adult who seeks enrollment in the Pueblo of Isleta or to a minor child and their legal parents or guardians.
 4. The results of an applicant’s DNA test will be confidential and shall only be shared with the Census/Tribal Enrollment Department, the Tribal Enrollment Committee, the applicant, and the Tribal Council on a case-by-case basis. The results of an applicant’s DNA shall will not be released to any other Pueblo of Isleta government entity, nor any other local, state, or federal government or private entity.
 5. If an applicant elects to conduct DNA testing through a vendor not approved by the Pueblo of Isleta, the applicant will have to do so at their own risk and cost. The Census/Tribal Enrollment Department is not required to accept the DNA test results from a non-approved third party.
- C. Applicants that have exhausted all avenues for membership and have been rejected for membership may file a new application only if they meet one of the following requirements:

1. They have documented evidence that supports their new claim to membership; or
2. The constitutional criteria for membership have changed since their last application.

Section 3. *New Applications for Enrollment*

A. Who Must File?

1. All persons not listed on the membership roll of the Isleta Pueblo as of August 1, 2023, who request membership in the Isleta Pueblo, must file an enrollment application. Parents, guardians, or other sponsors such as social workers may file applications for minors or incapacitated adults. No one will be considered for enrollment unless the individual or a sponsor has filed an enrollment application on an approved form supplied by the Census/Tribal Enrollment Department.

B. When and Where to File An Application

1. All enrollment applications must be filed with the Isleta Pueblo Census/Tribal Enrollment Department. Application forms may be obtained by oral or written request from the Census/Tribal Enrollment Department.
2. There is no deadline date established for filing enrollment applications, except when the Tribal Council authorizes an enrollment cutoff date for specific distribution of tribal funds or for other purposes.

C. What the Application Must Contain

1. Each enrollment application must be completed in its entirety and must contain sufficient personal information to properly determine the Applicant's eligibility for enrollment. Applications must show *at minimum* the following:

 - b) The address of the Applicant.
 - c) To the best of the Applicant's ability, a family tree in the form requested by the Census/Tribal Enrollment Department that consists of the names of all known ancestors and all known Isleta Pueblo ancestors whose names appear on the 1970 Base Roll maintained by the Southern Pueblos Agency of the Bureau of Indian Affairs, the 1968 Base Roll maintained by the Southern Pueblos Agency of the Bureau of Indian Affairs, or the official Membership Roll of the Pueblo of Isleta, together with all known names of Isleta Pueblo ancestors in generations among those rolls and the Applicant.

- g) The application must be accompanied by the original or certified copy of the Applicant's original birth certificate or certified copy of the birth certificate, as provided by the birth state's vital records office. For example, if either parent is a tribal member and is not listed on the birth certificate, that parent's blood quantum will not be used to calculate the blood quantum of the Applicant.

In the event that a biological parent is not listed on the original or certified copy of the birth certificate, the Applicant may request the Tribal Enrollment Committee to accept a lawful court order by the Pueblo of Isleta Tribal Court that establishes / acknowledges biological parentage. Once such order is authenticated by Enrollment Staff, the Tribal Enrollment Committee shall have the authority to use the blood quantum of that biological parent to calculate the Applicant's blood quantum, even though that biological parent is not listed on the original or certified copy of the birth certificate.

An exception will be made for an Applicant who is born internationally, as original birth certificate may only be issued once, according to the laws of the country of birth. For foreign-born applicants, a federal FS-240 form and a notarized copy of their original birth certificate will be accepted.
